Washington, April 18,—Commander Noble Irwin of the cruiser New Or-

leans reported to the navy department today that he had investigated the

Japanese naval activity in Turtle Bay

No Indication of Jap Naval Base.

"The Asama still aground in San

Bartolome bay. Only other vessel present one repair ship and two col-liers. No indications of other than

Secretary Daniels had called upon Admiral Howard for a special report in view of press despatches telling of

the assembling of a squadron of for-eign warships in Turtle bay, of a large camp established by the Japanese ashore and of mines laid in the har-bor. The Asama has been aground

in the secluded Mexican haven sints
December and the reports indicated
that the presence of other ships aid-

ing in getting her affoat, was being

made the excuse for the establishment of a permanent base of operations.

The Japanese embassy issued a statement declaring the operations were solely for salvage purposes and

denying that there was any intention of establishing a naval base and later

General Cantu, military governor of Lower California, telegraphed the Vil-la authorities that the Japanese activ-ities were limited to salving the Asa-

mericans are the victims. One of
these errors involved the Rev. Walter Lowrie, formerly of Newport, R. I., and now rector of the American

on now rector of the American church at Rome.

Mr. Lowrie was stopped by the police while he was traveling on behalf of Americans who sent relief funds for the victims of the recent earthquake. He was asked to show the papers which he carried. When he produced the list containing the names of the Americans with figures showing amount of their donations, the situation became graver as the police thought that the writing was in code. Finally the mistake was discovered and Mr. Lowrie was released with apologies.

It is not long ago that Albert Van Burf, rector of the American Academy in Rome, was arrested in the Italian capital as a German spy, being re-leased when the error was made apparent.

SAYS GERMANS ARE USING DEADLY GASES Plan to Stupefy or Kill the British and Then Charge Trenches.

General Headquarters of the Britisl Army in France, via London, April 18, 5.20 p. m.—The oft-repeated but unauthenticated report that the Germans are using deadly gases in their trench warfare has been attested by a German risoner speaking voluntarily to a critish staff officer. The officer related to The Associated Press correspondent the description given by this pris-oner of three-foot cylinders charged with an unknown gas which they purorted to release at some expedient ime, the plan being to kill or stupefy the British, if possible. This expedi ent, the German said, was to be fol-lowed by a vigorous infantry churge, much as infantry advances after artil-

lery clears the way.
"The prisoner exhibited cotton wool, On the nights between the 13th and 15th of April enemy torpedo boats tried to penetrate the Dardanelles. said the officer, "which he said had been supplied them to plug their noses and prevent the gas from killing them TO TEST H also. It is not quite clear to me, how-ever, why a shift of the wind wouldn't turn the tables, blowing the gas into the German trenches instead of ours."

BRIDGEPORT GIRL STRUCK AND KILLED BY AUTO While Crossing Street-Had Fractured

Skull and Internal Injuries.

Bridgeport, Conn., April 18.—Thir-een year old Dorothy C. Hooey was struck and killed this afternoon by an livery dealer, which at the time of the accident was operated by Campbel Abrid, a chauffeur of this city. The girl, with two companions, start ed to cross North Main street at a cent's hospital. Just as the three children stepped into the street the Leon automobile was coming down the hill. The chauffeur had to choose be-tween hitting two children or hitting one. He chose the lesser of the two. He stopped his machine, lifted the child in and sped back to the hospital. It was found there that the little girl had a fractured skull and internal in Se died at 11 o'clock this evening without regaining consciousness

GREEK STEAMER TORPEDOED WITHOUT WARNING

The Crew Got Away Safely in Boats-Captain Wounded.

London, April 18, 8.15 p. m.—The crew of the Greek steamer Ellisponyo torpedoed yesterday by a submarine five miles west of the North Hinder lightship, has arrived at Flushing, ac ording to a despatch to Reuter's tel egram company. The captain, who was badly wounded and was taken to a hospital, said his steamer was tor-pedoed without warning. The crew got away safely in boats, however, and It is reported from North Hinder that German aviators yesterday tried to drop bombs on two British trawlers and fired on them, but without re

TERRE HAUTE MEN START FOR PRISON. Mayor Donn M. Roberts Led a String

of Fifteen Convicted Men.

Indianapolis, Ind., April 18.—With Mayor Donn M. Roberts leading, the fifteen prisoners convicted in the Terre Haute election conspiracy case and sentenced to the federal penitentiary at Leavenworth, Kas., by Judge Anderson, started on the trip to prison this afternoon. They are due to ar-rive at Leavenworth Monday morn-

While the Terre Haute men were be ing placed in line in the jail yard, pre-paratory to marching to the railway station, the 82 men who were given jail sentences for their part in the conspiracy shouted goodbye to them and joined in passing jokes back and forth. The prisoners were not shack-led, but a guard walked beside each prisoner, accompanied him into the special car and occupied the seat be-side him. United States Marshal Mark Storen was in charge.

BORAH NOT A CANDIDATE FOR PRESIDENTIAL NOMINATION Will Not Strive in Any Way, Directly

or Indirectly, to Obtain It.

April 18. Borah of Idaho issued a statement to night saying he "was not and would not became a candidate for the republican nomination for president."

"If by any chance the party should nominate me," he said, "I of course should accept. To pretend or to intimate otherwise would be abourd. But shall not seek the nomination no strive in any way, directly or indirectly, to obtain it. Nor have I the slightest expectation of its coming my way." The statement was issued, the sena tor explained, because of numerous in quirles received on the subject. "A candidate is a slave," he added, "and I prefer to keep my freedom to speak as plainly as I see fit, especially at a time like this, when plain speak-ing seems to be likely to become neces-sary if the republican party is to be restored to power."

ROOSEVELT TRIAL

AT SYRACUSE TODAY. Attorneys Retained Are Putting Fina Touches on Their Cases.

Syracuse, N. Y., April 18.—The trial of the suit which William Barnes instituted against Theodore Roosevelt claiming \$50,000 damages for alleged libel, will begin in the supreme court here tomorrow. The attorneys retained by the principals in the action spent today putting the final touches on their Tonight, with Colonel Roos velt on his way here from New York and Mr. Barnes on his way from Albany, aboard the same train, both sides said they were ready. It was considered doubtful that the jury would be completed tomorrow.

Situation in Smyrna Terrible. Syracuse, Sicily, via Paris, April 18 Syracuse, Sicily, via Paris, April 18.

—Travelers arriving here from Asia Minor say that the situation in Smyrna is terrible. They state that bands of Mussulman brigands are committing all kinds of outrages, pillaging, burning property, killing and taking hostages. The people bringin this report state the Europeans in Smyrna recently asked the assistance of the United States cruiser Tennessee, now Anburn, N. Y., April 18.—The bodies of Arthur L. Clark, 55 years old, and Catherine Whipple, 22 years old, of this city, were found today on the shores of Owasco lake. A note pinned to the girl's coat read:

"We have nothing to Nve for and will be better off dead." It indicated they had taken poison.

Coroner A. J. Forman learned that the couple had wanted to marry, but that relatives objected. Clark left here last week, ostensibly for Rochester, and the girl has been missing from her home since Wednesday.

Includes: The Europeans in Smyrna port state the Europeans in Smyrna recently asked the assistance of the United States cruiser Tennessee, now in eastern waters, or any other force rinfluence which America can exercise.

in neutral territory north of visional president of China, for plot-ting another revolution in China, and The New York senate advanced to reports are said ting another revolution in China, and the order of final passeage Senator Chinese government reports are said warned the military and civil government reports are said. the order of final passeage Senator Greiner's bill providing for the reading of the Bible in schools every day.

Chinese government reports are said warned the military and civil government for the newspaper accounts of an alleged agreement between Dr. Sun measures. Agents of Dr. Sun, detectives reported, had been sent to the Yangtse districts and the coast provents. of Dr. Sun, are now taking place, the law in China not being sufficiently advanced to give these men fair trials. Little beyond the denunciation of alleged offenders by detectives is necessary to bring about an execution. set on his head by the Chinese govern-

> DIVER ENTANGLED WITH LINES OF SUBMARINE F-4. Comrades Worked Heroically for Four Hours Before He Was Freed.

Washington, April 18 .- Diver William F. Loughman, who became entan-gled in the lines attached to the sunken submarine F-4 Saturday working under 220 feet of water in Honolulu harbor, has been rescued un-

harmed. Rear Admiral Moore cabled the navy department tonight the news of Loughman's release. Heroic efforts lasting four hours by comrades who went to his assistance saved the diverclear," Admiral Moore's message said.
"Three lines have been passed forward and secured to pontoons." Naval officers said tonight another line would be made fast to the F-4 be-

fore the vessel could be lifted. Collapsed When Brought to Surface. Honolulu, April 18.-Though weak from exhaustion and nervous strain, William F. Loughman, a diver engaged in the work of raising the submarine F-4, who was forced to remain for four hours under water yesterday at a depth of 220 feet, was well on the way to recovery today. After Loughman was brought to the surface he col-Loughman reported today that three lines were well fastened to the F-4, sufficient, he thought, to warrant the beginning of the work of hauling her into shallower water.

PLANNING SETTLEMENT OF CHICAGO BUILDING STRIKE Carpenters Are to Offer Arbitration to the Contractors.

Chicago, April 18.—A definite move the direction of settling the hig building trades strike in this city will be made here before night when John A. Metz, president of the Carpenters' union, which is said to be the back-bone of the Building Trades Council, will offer arbitration to the contractors, independent of the other trades, "I am willing to have our request for an increase in wages submitted to any reasonable arbitration on a basis THREE YOUNG PEOPLE DROWNED and to abide by the decision independent of the attitude of any other trade," said Mr. Metz. "I will make this statement to the contractors later
